

ABOUT US

In June of 2020, the Iowa Police Chiefs Association and the Iowa-Nebraska NAACP partnered to form the Iowa Law Enforcement Vision for Equality Task Force. This task force has since evolved into a partnership between community advocates and multiple law enforcement associations.

A Law Enforcement and Community Partnership

MISSION

To expand partnerships between Iowa Law Enforcement and community members to promote public safety through building trust, maintaining law enforcement and citizen accountability, and seeking best practices in law enforcement, while promoting respect for individual rights, human dignity, and unity.

WE CAN HELP

- Guide communities and agencies towards building trusting relationships
- Assist with questions and concerns related to potentially divisive issues between law enforcement and community members
- Coordinate contact with stakeholders to provide guidance and assistance in addressing equality concerns related to law enforcement actions
- Respond to communities and jurisdictions to assist in opening communication
- Respond to communities and jurisdictions to provide an outside and honest assessment of a potentially divisive issue
