April 2, 2018

Dear ISSDA Members:

We are now registering students for the eighth round of ICLD training. REMEMBER – you must be a current member of ISSDA in order to participate in this training. If your membership has lapsed, please go to the "Members Only" area of our website at www.issda.org to fill out a new application.

The ISSDA-ICLD training program is an online comprehensive course of instruction designed to enhance leadership, ethics, character, team building and emotional intelligence training for all personnel. It is a part of the ISSDA's mission to provide continued resources to enhance the professionalism of the personnel who serve the citizens of Iowa. This training is being offered at no cost to current ISSDA members, both sworn and non-sworn. The only expense involved is the cost of the textbooks that are necessary to successfully complete all three phases of the training. Information on where to obtain the required books and pricing accompanies this message.

We ask that agencies compile a list of employees who wish to participate in this eighth round of training and complete the attached ISSDA participant database spreadsheet. To complete the spreadsheet enter the agency name, first and last name and agency email address of each participant and return the spreadsheet to deputy766@mediacombb.net no later than May 1, 2018. Participants will receive an activation e-mail from ICLD to begin their training on (or shortly after) May 14, 2018. The training is individualized and at your own pace, within reason (there is a 2-year limit for completion).

If you have any additional questions regarding this program, please feel free to contact me.

Sincerely,

Deputy Josh Hammen, ISSDA President

deputy766@mediacombb.net
