

Basic 40 hr. Crime Scene Class

Hosted by Delaware County Sheriff's Office

(Delaware County Sheriff's Office, Manchester, Iowa)

May 21st, 22nd From 8 A.M.- 6 P.M

June 23rd, 24th From 8 A.M.- 6 P.M.

To complete the 40-Hour Course we have divided the course into two segments to offer agencies better flexibility with scheduling to offer more attendees.

Only \$400 per student

Instructor: Matthew Schwarz of Schwarz Forensic Enterprises, Inc.,

Instructions will cover several topics to include but are not limited to:

| | | |
|---------------------|------------------------------|-----------------------------|
| Photography | Camera operation | Chain of Custody |
| Evidence Collection | Scene Documentation | Evidence Packaging |
| Scene response | Scene Management | Latent print processing |
| Impression casting | DNA collection/Blood testing | Major case print collection |

Crime scene techs, investigators/detectives, officers and patrol deputies who respond to crime scenes will benefit from this class.

There will be numerous hands-on exercises. Students will need to dress appropriately for crime scene processing work.

All students will need to bring their own camera, lens, flash, off camera sync cord for flash, macro lens, camera remote shutter release and tripod along with multiple memory cards if your agency has them. Students will also need to bring a fingerprint processing kit along with evidence packaging they would use in day-to-day operations if you have them. **All Items listed are not required and will be supplied at class for training purposes.**

Any questions please contact Sheriff Travis Hemesath: at (563)-927-3135 or email: themesath@delawarecountyia.us
