

The eight textbooks required for the Institute for Credible Leadership Development (ICLD) modules are listed below. Seven of the books are readily available through Amazon and Barnes & Noble. Please see information below on purchasing your books at [smile.amazon.com](https://smile.amazon.com) and support ISSDA with your textbook purchase. It is easier to order them by their ISBN numbers than by their titles.

How many of you have an Amazon account and purchase items on Amazon.com? The ISSDA Board of directors has taken steps to join <https://smile.amazon.com/>. This is an Amazon program where you can shop on this site which mirrors the regular Amazon site. They are virtually the same. The difference is that when you log in on this site, you can designate your favorite charity to receive cash back. You log in, you can designate your favorite charity which hopefully will be ISSDA and then ISSDA will receive .5% of what you spend back from Amazon. Once you designate ISSDA as your charity, you do not have to make that designation again. The money back will continue until you would go back in and change it. So every time you log in and buy something, it is all done automatically.

If you already have an account, you can use your current login username and password, but you just have to remember to go into the Smile.Amazon rather than the traditional Amazon.

What if you have an Amazon Prime account? No problem. You can still log into the Smile.Amazon with your prime login and password and start shopping. It is as simple as that. Again once you designate ISSDA as your charity, you never have to do it again unless you wish to change it. Every purchase you make will automatically credit the .5% to ISSDA.

I hope you all will consider both of these opportunities to make your association stronger. This will be a great way to help fund the ISSDA college scholarships & Y camp.
